“ If it wasn't for Mr. Tolley putting his trash out on nights before pick up my trash would be piling up, I knew if I was unsure about when they were scheduled to come I could look across the street and if y'all's was out then it was a safe bet they were coming in the morning. I can also thank you guys for the incentive to mow my grass, keeping up with the Tolley's I guess. I can assure you that although we didn't talk on a daily bases I had much respect and admiration for the both of you. My heart goes out to you, but please know that if there is anything I can do please let me know. You and Mr. Tolley are in my prayers. God bless you and your family
Sincerely your neighbor (directly across the street) Karen Miller
