*Ms. Lomasney,*

*Karen was one of the most loving individuals I have ever known. Karen and I worked together for almost ten years and I will tell anyone I could trust her with any task that I or anyone else could think of. In addition to being loving she was also one of the smartest people I have ever known.*

*I am confident that God has welcomed Karen home and it gives me ease to know that she is at peace.*

“ *Karen and I worked together at Mid-Jefferson County hospital nights and weekends in the early 70's while we were in college. We would sneak a TV in our office so we could watch the Cowboys while we worked, she was a huge fan of Charlie Waters and we actually got to meet him at Park Place hospital during a dedication. Also attended Cowboys and Jets game in Houston and a Three Dog Night concert. Karen was a kind and sweet friend who loved her family. Prayers and sympathy to the family. May she rest peacefully in the arms of Jesus and perpetual light shine upon her.*

“ Karen and I were 1st cousins. We grew up like sisters, I have many good memories. Her Dad would take us to Leo and Willis every Saturday to have doughnuts, never missed a Saturday. When her Mother passed our our Grandparents raised her and her brother Drew. As she got older she loved having nieces and cousins at their house. Many times we got into trouble not bad trouble just fun stuff. Our grandmother told the younger ones to stay out of her makeup well that didn't happen, lipstick and rouge all over their faces. Then they put powder over Pop while he was sleeping, boy did they get it. I remember so many good childhood memories with Karen. She will be missed, but she is have a grand reunion with family what a wonderful day it was ! Love you forever Karen.

Karen was actually the Superintendent's Secretary for PAISD. Not sure how many years. That is how I met her. She was a very smart lady loved reading and researching for our Cultural books she would put together! She was a very proud Aunt and when Amber n Logan would come to her for assistance she absolutely loved that. She always smiled no matter what! She was a very kind woman to all that knew her! Fly high with the Angels! Your job on this earth is done! My prayers n condolences to the family!

*Condolences to Ms. Lomasney's family. As a reporter I'd spoke with her numerous times and she was always such a sweetheart. She also, while working with PAISD, created informative packets for cultural awareness that were an excellent source for many.*
